One form must be sent for each club and the **name** only of each registered player will be published on the web site for reference. Registrations must be sent (post or email) to the **TREASURER** and must be received **twenty-four hours** before becoming valid. Registrations must be accompanied by the correct fee – Postal Orders, cheques and bank payments should be made payable to '**The Executive Committee of Glasgow & District Churches' Badminton Association**'. If the forms are emailed to the Treasurer the fee should be paid into the Bank account (as above) with a reference to indicate whom the payment is from – Contact the Treasurer or your Club Secretary for the bank account details.

Additional registrations can be made after the initial registration of players.

Due to the new regulations regarding data protection coming into force in May 2018 it has been decided that player email addresses only will be requested, but not published. However the General Secretary/Treasurer will contact each Registered Player by email, so that they are aware that this data is stored securely, but they must confirm by email that they give permission for these details to be kept for contact purposes relating to the GDCBA Leagues & Tournaments only.
